Brief Description

Please note that portions of family bible records or other scanned items that conflict with G.S. 132-1.10 regarding personal identifying information can not posted for public viewing.

There will be a five month processing period before family bible records or other scanned items will be posted in the online digital repository. Copies of your scanned items will be emailed to you within two weeks.

I understand that by submitting this content I affirm that I hold all rights to its content. I grant permission for the State Archives and/or State Library of North Carolina to utilize my submission in web resources, promotional materials, and in any future formats appropriate to the institution(s) work and outputs."
